Diesel Particulate Filter – Regenerate your DPF with a button press!

- Regenerate your DPF with a button press
- Live-Monitor your DPF and track the regeneration in real-time
- Record the data and send it by mail, e.g. for PC-analysis

We are working on including new Diesel engines. In this Lite Version you can check how Diesel Particulate Filter works in the Full Version. You can see if your engine supports DPF and perform a Live-Monitoring.

A Full Version can be extended to DPF by In-App purchase. DPF contains an unlimited license to regenerate DPF and perform live-monitoring. Future updates are included.
