

Everything you need for work and home

With Windows 7 Professional, never work slower than you and your records. You can run many Windows 7 productivity programs in Windows 7 Home and receive bonuses to work smarter, faster in your home or business network. You can also connect to company networks off-network and work securely with domain users. Both of the exciting advanced features of Windows Home Premium, it's a great choice for home and the business.

**Windows 7 system requirements**

- 1 gigahertz (GHz) or faster (3.0 GHz or faster) x64-bit processor
